## *Welcome to Tabokiri*

Tabokiri is a mysterious jungle island at the heart of H2O Herford.

This is where children can make exciting discoveries and be part of an exciting and mysterious world. Helped by Splash, the friendly drop of water, and his companions Koko the parrot and Freddy the monkey.

There's plenty to see and do on Tabokiri. You can watch exotic fish in the diving grotto, fire water cannons on the sailing ship, cross the jungle on the rope walkway, zoom down the hydroslide, explore the Temple of the Tabone-se and much, much more.

Imaginations can run wild on Tabokiri. Countless mysterious buttons and levers suddenly trigger unexpected effects, sometimes with water even gushing down from above!

With their friends, this is where children can embark on expedition in a real jungle full of tropical plants and explore the mysteries that await them on Tabokiri.
